

MARMORAN

Your guide to customized wall coatings

New year, New opportunities!

By Emma Charles

MARMORAN, the industry leader in Customised Wall Coating Systems, was established in South Africa in 1969, and is firmly entrenched as the pioneer of natural protection interior and exterior wall coatings.

The Marmoran range has initiated technically advanced solutions created by the Marmoran Research and Development team. Formulated for specific compatibility with most construction materials and climatic conditions, Marmoran's Customised Wall Coatings are easy to maintain whilst the product's aqueous base ensures it is environmentally friendly. The use of Marmoran products ensures unparalleled versatility in texture and colour whilst reflecting the best in contemporary international design trends.

Changing, Adapting, take a look what we have in store for 2021.

MEET SOME NEW FACES

Two new talented women have joined the Marmoran Family. #girlpower

This has led to Marmoran winning numerous awards, including the prestigious State Presidents Merit Award for Export Excellence and the Support Programme for Industrial Innovation.

With a staff of 50 people, we work together as a nationwide, cohesive unit supporting the Marmoran brand. Forming the backbone of the organization is the Licensed Applicator concept which is already established in over 40 countries. Marmoran has blending technology, production facilities and offices that are strategically situated to support the product application. Our Cape Town offices were established in 1969, our Durban offices in 2000 and shortly after our Johannesburg factory and offices were established in 2009. We also have representation in the Eastern Cape.

Marmoran manufactures more than 100 products ranging from high quality Preparation Products, Resin Plasters and Aggregates, Sprays, Textured Paints to Premium Paints for use in both Interior and Exterior applications. These products give a stylish individual finish that will optimize and inspire the aesthetics of any architectural design. "Made specially for you!"

Other services, Marmoran offers:

- Product and Colour Consultancy.
- Specification Reports
- Mood boards
- Sample Panels
- Wet on site sample panels
- Site Inspections and Reports
- On site training for applicators
- In-house training

The application of the product is done by independent licensed applicators who are trained to apply these products to the wall. A Product Guarantee is issued when the Coating System is applied to full specification by a Licensed Applicator.

Marmoran is also found on AutoSpec.

UPGRADING?

It's a new year, and we are going into it with some exciting news! Marmoran is redecorating and upgrading their Cape Town Branch. Not only is our factory growing but our sample display too! Our showroom, 16 Turfhall Road, Lansdowne, Cape Town is going to be on your to-do-list to go and visit. It means a fresh start, a revitalized identity, and an updated aesthetic that is sure to impress your clients, customers, and guests. It is often an easy decision to begin a much-needed office renovation, and our minds immediately conjure up imagery of chic and modern spaces that have employee satisfaction and productivity in mind - it is all part of a very alluring project.

OUR TEAM IS GROWING! Welcome:

Marilize Smith:

Gauteng Sales Representative

Marelize Coetzee:

Cape Town Sales Representative
