## Happy Easter!

Easter; chocolates; friends and family; are all great reasons to be celebrating this weekend. For Marmoran, we have one more to add to that list. We are excited to announce, due to a high demand of orders, we are enlarging our Cape Town factory. The construction industry is getting back on its feet and the orders are coming in fast. There is a shortage country wide of raw materials, but we are working through this, with the help of our suppliers. We are looking forward to this new financial year. The last few months have kept us busy, with the expansion of our factory, the refurbishment of our showroom starting to take shape, as well as growing our Marmoran team. We welcome Daniel and Enrico to the sales team for the Eastern Cape. Easter is on the horizon and we wish all our staff, customers, and clients a Happy Easter.

## EXCITING PROJECT: BRIDGEWATER ONE!

Bridgewater One. It is one of many projects that we are proud to be specified on. We are excited to see the end result. Great work by Rabie Property Group, Vivid Architects, and WBHO.

Our licensed applicators, Van Zijl Painting Contractors are doing a fantastic job. The exterior is showing off Marmoran's stunning 1.5mm Permacrete. The bold colours compliment each other perfectly. Smaller areas of the exterior will have our low-sheen pure acrylic paint, Marmocote M180, in white. This paint is extremely durable and has superior resistance to any dirt.

Marcoatings, another great applicator of ours, is busy applying Marmoran's Décor Classica on the interior of the hotel rooms. Stay tuned for a photo of the inside on the Marmoran Facebook and LinkedIn pages.

This year, we are hitting it with a bang, on top of all the physical changes, we have LAUNCHED our CPD platform. You can have a full CPD presentation done in the comfort of your own home. It consists of 4 sessions (roughly 1-2 hours each). We have showcased a session already and are currently halfway through our second course. Along with the fantastic feedback that we have already received; we have a bunch of CPD's lined up in the months ahead with architects' country wide. Get your points in now and book your spot by emailing [Leigh@marmoran.net](mailto:Leigh@marmoran.net)

To our many applicators and clients, thank you for your loyal support. We are looking forward to working together in the new financial year. Any questions? Contact us + 27 21 797 4250 or [www.marmoran.co.za](http://www.marmoran.co.za) for any questions you may have.
