

Marmoran

The Architects' Choice

YOUR LEADERS IN CUSTOMIZED WALL COATINGS

We attribute our success to our full commitment to each client and project. The quality of our products is testament to our ongoing research and development into new technology. We strive for excellence

Now with summer around the corner and the country going to level 1, there seems to be a new "spring" of life with everybody wanting to renovate or redecorate their house, flat or apartment.

We at Marmoran have an amazing paint and plaster range of products (manufactured locally, Proudly South African) to suit any kind of surface which can be made up in any colour.

Please view our website and contact the relevant sales consultant as per the region/branch you reside in or contact us on 0861 627 266 and one of our consultants will return your call as soon as possible.

What's New??

- **Latest Prestigious Coatings Contracts this year.**
- **Marmoran Factory**
- **Meet our new staff**

LATEST PROJECTS: KZN

The new iconic MSC Durban Cruise Terminal is now complete and what a fantastic project to be involved with. Big thanks to Elphick Proome Architecture for specifying Marmoran's Permasuede resin bonded plaster and Master Applicator Smith & Winfield for the wonderful application.

LATEST PROJECTS: GAUTENG

AE du Toit Auditorium was constructed in 1956, named after the professor of Mathematics and former principal of the University. The University did a refurbishment to update and modernise the building without taking away the building's natural beauty. This was a Heritage project that was done by our applicator, Glacial Coatings and the Marmoran product used was Cato Spray.

LATEST PROJECTS: CPT

This amazing building was designed by DHK Architects, illustrating a unique pattern of our product which was done in Permacrete 2.0mm in three different colours applied by our Master Applicator, Marcoatings.

WELCOME ON BOARD OUR NEW STAFF:

We are pleased to announce the recent arrival of Pratha Nayager, who has joined our team as a Chemist in the Gauteng factory. He is a B.Sc graduate with Chemistry and Physics as major subjects. Additionally, he has completed the SAPMA Technology course and various Quality Control courses. He has several years of experience in polymers, adhesives and paints.

Marmoran also welcomes Sasha Sauls as an Executive Assistant, graduated with a Bachelor of Commerce Degree with Financial Accounting and Finance as major subjects.

MARMORAN FACTORY

- Our Cape Town Factory Manager, Aphellia Scholtz is very pleased to announce exciting times ahead as we are running at full capacity, manufacturing and providing an excellent service and support to our clients in the Western and Eastern Cape. Aphellia joined Marmoran in 2013 as a Creditors Clerk in our finance department. Familiarising herself with all departments and operational functions, today she manages our Cape Town factory operations, Sample department as well as our Dispatch department. Aphellia also oversees certain finance functions with a big focus on Cash Sales.
- Kaylyn Nell started with the company in August 2020 as a Dispatch Manager and handled all exports in the company. In August 2021, she was promoted to Factory Manager of the Johannesburg factory. Kaylyn has a vast experience in various fields, sales, marketing, admin and finance.
